

AFTER LAUNCH: WEBSITE SUPPORT OPTIONS

Standard Support

Every website is built fully optimized and supported from day one.

Includes:

- Continued admin access after ownership transfer
- Technical support as needed
- Small verbiage or text updates
- Photo updates or additions
- Contact information changes

Support Details:

- Updates completed upon request
- Changes typically made within 5 business days

Standard Support — No Monthly Fee

This ensures your website stays accurate, up to date, and supported — without requiring a monthly contract.

Website Care

Peace-of-mind support for businesses that want their website maintained and monitored — without active SEO growth.

Includes:

- Website health & performance monitoring
- Form and conversion checks
- Broken link identification & fixes
- Platform and technical upkeep checks
- Light website updates (small text or image changes)
- Monthly SEO health overview & recommendations

Best for:

Businesses that want ongoing support and peace of mind, without active SEO growth. (SEO recommendations would be quoted separately)

Price

\$75 / Month

Strategic Support

A premium partnership for businesses ready to grow visibility, expand content, and build long-term organic traffic.

Includes:

- Everything in Website Care, plus:
- **4 SEO back-pages per month**
- **1 SEO-optimized blog post per month**
- Keyword research & refinement
- Sitemap updates
- Google indexing & performance tracking
- **Priority handling** for web & SEO requests
- Monthly SEO roadmap refinement
- Monthly reporting:
 - Traffic trends
 - Top-performing pages
 - Search visibility insights
- Strategic recommendations for continued growth

Best for:

Businesses seeking consistent SEO momentum, clear strategy, and a trusted long-term digital partner.
